When it comes to **high-quality memory upgrades**, CompuRAM is one of the top addresses. In addition to DIMM and SO-DIMM from our own CompuRAM brand, we sell high-end Samsung & KIOXIA SSDs and Supermicro components with a focus on B2B customers.

One of our particular strengths is to merge classic product sales with eCommerce solutions developed in-house, thereby offering our customers an **excellent user experience**.

Since 1997, we have been supplying quality-conscious customers with our products and services in Germany, Austria and Switzerland, but also increasingly in the European market. According to our company philosophy UPGRADE WITH KNOW-HOW - we focus on the **satisfied customer**.

The passion for what we do, creativity and the permanent incentive to offer **innovative solutions** make us a long-term successful company in our market segment.

Sustainable quality management guarantees 100% compatibility - with a 10-year warranty on every CompuRAM memory module. Because we stand behind the **quality of our products**.

Our commitment at CompuRAM

Trust and respect are the basis for our teamwork. We are in a continuous process of innovation and value the judgement of all employees who contribute their skills and experience to CompuRAM as part of a diverse team. We also want to work with customers and partners we trust, who value fairness, quality and reliability as much as we do.
